QATAR STATE VISIT - LE MERIDIEN LIMASSOL IS PROUD HOST

Le Méridien Limassol Spa & Resort was the hotel of choice for the official delegation of His Highness the Emir Sheikh Hamad bin Khalifa al-Thani of Qatar.

The 90-strong delegation included the Qatari ministers of finance, energy and international cooperation, as well as high-ranking officials from state-owned companies.

The Emir, accompanied by his wife, Her Highness Sheikha Mozah Nasser al-Misnad, was on an official state visit to Cyprus this month, during which time he met with Cypriot President, Demetris Christofias, for extensive talks and to jointly witness the signing of several important bilateral agreements and memoranda.

"We are honoured to have been chosen to host the Emir's delegation," says Le Méridien Limassol's Executive Chairman, Costas Galatariotis. "The state visit was a significant occasion for Cyprus and we are proud to have played a part. As well as offering first-class service and luxury amenities, our private resort also provides a high level of security – a benefit that many of our VIP guests appreciate."
